INDEX TO VOLUME XXIX, THIRD SERIES.

(WHOLE SERIES, VOLUME XXXVII.)

Abdominal Cæsarian section, the indications for ... 743
Abortifacient, diachylon as an ... 809
Abortion justified by certain conditions during pregnancy ... 344
Abortive treatment of syphilis ... 209
Abscess of the liver, the value of emetine in. 810
Absinthe, the consumption of in France ... 75
Absorption and excretion of ammonium by the lungs ... 862
Abuse of the uterine curette ... 896
Accidents after salvarsan and neosalvarsan. 178
Acetonuria and ether anesthesia ... 101
Acne, vaccine treatment of ... 211
vulgaris, the treatment of by autogenous vaccines ... 34
Acute dilatation of the stomach and its treatment ... 678
gonorrhea, treatment of ... 590
Adenoidectomy, persistent mouth-breathing following ... 361
Adenoid operation, certain dangers of the ... 523
Adherent pericardium ... 28
Adrenal glands, pulmonary action of the ... 29
Adrenalin in arthritic affections ... 30
in the emergency treatment of non-corrosive poisoning by the mouth ... 431
in the treatment of asthma ... 191, 424, 546
in the treatment of asthma in children. 550
in the treatment of heart disease ... 499
in the treatment of hemoptysis ... 121
in the treatment of profuse kidney hemorrhage ... 888
in the treatment of urticaria ... 425
in the treatment of uterine hemorrhages ... 721
in the treatment of vomiting of pregnancy ... 251
in whooping-cough ... 198
the antiarthralgic and antineuralgic action of ... 428
the use of in osteomalacia ... 40
Advanced treatment of puerperal infection. 799
After-history of gastroenterostomy for peptic ulcer ... 737
Aged, treatment of the ... 36
Aiding the protective processes of the body. 169
Albuminuria in pregnancy, the signification of ... 800
Alcoholic injections in tic and spasm of the face ... 4
Alcohol injection in neuralgia, hyoscine-morphine anesthesia for ... 640
injections for the treatment of neuralgia and facial spasms ... 742
the influence of upon the fetus ... 19
Alcoholism, acute—veronal in the treatment of ... 329
Alden, B. F.: Experiences with Phylacogens in Surgical Infections ... 847
Alimentary toxemia, the treatment of ... 559
Allan, J.: The Value of Scarlet Red in Ophthalmic and Aural Work ... 1
Alopecia areata, treatment of ... 469
Aluminum vessels for cooking purposes, the safety of ... 631
Amebic colitis: diagnosis and the emetine cure ... 185
dysentery, tablets of emetine in the treatment of ... 418
the treatment of by emetine ... 268
the treatment of with emetine hydrochloride ... 561
infection, emetine for ... 787
American Hospital of Paris, usefulness of the ... 911
Ammonium, the absorption and excretion of by the lungs ... 862
Analgesia, spinal ... 367
Anaphylactic shock, the prevention of ... 336
Anaphylaxis ... 667
and repeated injections of serum ... 177
Anemia, pernicious—salvarsan and neosalvarsan in ... 809
—salvarsan in the treatment of. 202
—the treatment of ... 803
Anesthesia and cardiac strain ... 709
local ... 865
lumbar—technique of ... 62
of nitrous oxide and ether with oxygen. 647
Anesthetics, the present-day methods of administering ... 41
Anesthetizing the brachial plexus ... 285
Anesthetometer, for measuring and mixing anesthetic and other vapors and gases ... 898
Angina pectoris ... 652
Angioneurotic eruption due to aspirin ... 95
Angiosclerotic disturbances of nutrition, treatment of by arteriovenous anastomosis 362
Anhidrosis ... 465
Animal extracts and iodine, the effect of upon the volume of the thyroid gland ... 781
Anociassociation and surgical shock, the kinetic theory of ... 675
Another word as to the massacre of the tonsil ... 859
Antiarthralgic and antineuralgic action of adrenalin ... 428
Antigalactagogue, potassium iodine an ... 37
Antigonorrheal serum in the treatment of gonorrheal rheumatism ... 272
Antiseptic drugs by inhalation in the treatment of pulmonary tuberculosis ... 110
Antistreptococcus serum locally in the treatment of vaccinal ulcers ... 426
Antisyphilitic serum in the treatment of general paralysis of the insane ... 713
Antitoxin administration ... 281
large doses of given early a means of preventing laryngeal stenosis ... 430
treatment of tetanus ... 818
Antityphoid vaccines, possible contraindications for ... 492
Aortitis, syphilitic: its treatment ... 343
Aperients, the influence of on intestinal movements ... 279
Apomorphine, uses of ... 433
Apparatus for applying extension or traction in the open treatment of fractures of long bones, and also an apparatus for raising patients and facilitating the application of plaster casings ... 695
for continuous aspiration ... 293
Appendectomy, a method of fixing dressings after by deep sutures ... 146
Appendicitis a cause of fecal fistula ... 154
Arsenic absorption following intramuscular injections of salvarsan and neosalvarsan ... 200
idiosyncrasy ... 562
in the treatment of diabetes ... 39
Arsenious acid and salvarsan in non-syphilitic diseases, the comparative value of. 47
Arterial pressure, high—the treatment of.. 569
Arteriosclerosis and high tension, the treatment of ... 785
the prevention and treatment of ... 102
Arteriovenous anastomosis for threatened gangrene of the foot ... 827
Arthritic affections, adrenalin in ... 30
Arthritis, gonorrheal, among negro laborers on the Panama canal ... 735
rheumatoid ... 724
syphilitic, in children ... 794
Articular rheumatism, acute—phylacogen in the treatment of ... 843
Artificially induced immunity, the duration of ... 88
Artificial pneumothorax ... 356, 494, 503
in pulmonary tuberculosis .. 787
the therapeutic value of ... 333
respiration in the treatment of electric accidents ... 272
Ascites, causes of ... 816
Asman, Bernard: The Etiology and Treatment of Coprostasis ... 768
Aspiration in pleural diseases ... 115
Aspirin the cause of an angioneurotic eruption ... 95
Asthma, clinical results of the nasal treatment in ... 510
in children ... 550
the use of adrenalin in the treatment of 424
treatment of ... 544
treatment of with adrenalin ... 191
Atropine in eye work, the use and abuse of. 349
reaction in cardiac disease, the prognostic significance of the ... 41
Auditory nerve, the effects of salvarsan upon the ... 342
Aural and ophthalmic work, the value of scarlet red in ... 1
Auricular fibrillation ... 113, 719

Autogenous vaccines in the treatment of acne vulgaris 34
Autointoxication, especially polyneuritis, the treatment of 196
the treatment of so-called 479
Avoidable difficulties in the hand-feeding of infants 878

Bacillus coli infections, the treatment of 176
Bacterial vaccine in renal calculus and its sequels 496
Balantidicidal activity of drugs as a basis for treatment of infections with balantidium coli 812
Banti's disease 23
Baruch, Simon: The Need of Instruction in the Remedial Uses of Water 761
Bedbugs and their destruction 358
Best method of treating chorea 87
Bichloride of mercury poisoning 336
Bilateral intestinal exclusion without drainage of the excluded lobe 54
Birth-rate of Great Britain, increase in the. 836
Bismuth poisoning 42, 125
subnitrate in the treatment of gastric ulcer 31
Blood pressure during morphine-ether anesthesia 880
high—the importance of recognizing the value of 707
—the management of 609
—the treatment of confirmed cases of 872
—treatment of 118, 808
in rheumatoid arthritis and the effect of baths 33
the effect of digitalis upon 23
value of high 911
pressures of children and young adults, effects of cold air on in various stages of tuberculosis 114
sera, precipitated, in the treatment of hemorrhage 200
spitting 388
treatment of 391
transfusion, direct—why is it often a failure? 129
vessel suture, practical application of .. 132
Bone and joint tuberculosis, the treatment of 588
plates applied to fractured femora in the cadaver, results of experiments on various 323
of Lane, the use of in seventy-six operations 365
Bones of the leg, lengthening shortened 826
Bovine tuberculosis, drastic order in regard to issued by the British Board of Agriculture 227
Bowel and bile tract infection, hexamethylenamin in the treatment of and to prevent postoperative tympany 470
Brachial plexus, anesthetizing the 285
Brav, Aaron: Treatment of Vernal Conjunctivitis 247
Breast cancer, non-operative treatment of .. 141
feeding 882
practical points in the management of 497
Bromide and chloretone treatment of epilepsy, comparisons of 355
Bromidrosis 466
Bronchitis, chronic, and asthma, vaccines in the treatment of 881
in the stout and elderly, the treatment of 178
Burns, desiccation in the treatment of 159
Buttermilk in the treatment of erysipelas. 729

Cæsarian section, abdominal—the indications for 743
Caffeine, the action of on the circulation ... 405
the action of upon the respiration 715
Calculi, urinary 483
Camphorated oil in the treatment of acute diffuse peritonitis 175
Camphor, the physiological and therapeutical effects of 252
Cancer, good results from the use of radium in 836
laryngectomy for 888
mortality, reduction of 144
of the breast, non-operative treatment of 141
the radium treatment of 275, 908
the treatment of by selenium 711
Carbohydrate treatment in diabetes 29
Carbohydrates used in infant feeding, the properties, uses, and indications of the various 265
Carbolic acid in the treatment of pediculi capitis 264
Carbon dioxide snow in the treatment of skin tumors, especially cancer 128
Carbuncles, boils, staphylococcic infections, and certain streptococcic infections, treatment of by large doses of dilute sulphuric acid B. P. 560
Carcinoma, a method for skin-grafting the wound defect following removal of the breast for 440
and papilloma, vesical—the surgical treatment of 437
of the uterus 521
rectal—the intramural spread of 737
Cardiac complications of pregnancy and labor 100
of rheumatism, early—treatment of 180
disease, non-valvular—the treatment of. 49
prognostic significance of the atropine reaction in 49
strain and anesthesia 709
Cardiolysis 262
in the treatment of mediastinopericarditis 217
Cardiovascular lesions and sea-bathing 404
Caries and empyema, mastoid—the operations for 317
Carotid body, the 673
Casein curds in the stools of infants, the pathogenesis of 876
Catarrhal jaundice, hexamethylenamin in the treatment of 473
Cates, Benjamin Brabson: A Periosteotome for Cleft Palate Operations 79
Causes of ascites 816
Cecosigmoidostomy, an operation for short-circuiting the colon 294
Cerebral fossa, posterior—fifty-one operations involving the 673
hemorrhage, the diagnosis of by means of lumbar puncture 740
Cerebrospinal meningitis, epidemic 494
in infancy 736
Certain dangers of the adenoid operation .. 523
Changes in organs in a patient dying after salvarsan 95
in the treatment of syphilis in regard to salvarsan 874
Chemical structure and pharmacological action 189
Chemotherapy in tuberculosis 404
Chloretone in the treatment of epilepsy 353
overdosage 806
Chloroform toxemia 180
Chorea, acute—the treatment of 866
the best method of treating 87
treatment of 813
treatment of with rheumatism phylacogen 801
veronal in the treatment of 329
Chromidrosis 466
Chronic intestinal stasis 580, 670
sciatica, the treatment of 392
Circulation, the action of the caffeine on the 405
Circulatory failure, mechanical means of treating 405
Cleft palate 523
operations, a periosteotome for 79
Clinical experiences with phylacogens 837
medicine, the methods of teaching in London 531
results of the nasal treatment in asthma 510
with the phylacogens 799
significance of different forms of regular tachycardia 270
study of 100 cases of pneumonia 868
Coal-tar disinfectants, the toxicity of 804
Cocaine poisoning 283
Cod-liver oil, topical use of in feeding marasmatic infants 194
in the treatment of pulmonary tuberculosis 626
Coffey, W. B.: Clinical Experiences with Phylacogens 837
Spontaneous Gangrene or Raynaud's Disease 856
The Use of Salvarsan 858
Cold, common infectious—menace to the young child of the 106
Colitis, amebic: diagnosis and the emetine cure 185
Colostomy, transverse, as the operation of election 588
Combined method of treatment of gonorrhea, result of the 596
Common colds and vaccine therapy 628
mistakes in the treatment of the disease of women 802
Comparative value of arsenious acid and salvarsan in non-syphilitic diseases 47
Complications of hedonal anesthesia 20
Concerning certain ocular injuries and their treatment 533

Conditions during pregnancy which justify abortion 344
Conduct of labor without vaginal examinations 568
Congenital pyloric stenosis, with report of four patients operated upon, two of whom were infants of the same parents..... 699
Conjunctivitis, vernal—treatment of..... 247
Consecutive displacement of the cerebral hemisphere in the localization and removal of intracerebral tumors and hemorrhages 447
Conservative treatment of toxemia of pregnancy with convulsions..... 422
treatment of tuberculous glands of the neck 288
Constipation, chronic—treatment of..... 208
in the aged, treatment of..... 36
Continuous aspiration, apparatus for..... 293
stomach drainage for cases of postoperative dilatation, intestinal obstruction, and peritonitis..... 136
Contradictory findings of the Wassermann test 441
Convulsions, the value of lumbar puncture in relieving..... 429
Cooking purposes, the safety of aluminum vessels for..... 631
Coprostasis, the etiology and treatment of. 768
Corpus luteum organotherapy, the present status of..... 31
Corrosive sublimate, the lethal dose of.... 336
Cotton-seed oil in the treatment of pulmonary tuberculosis..... 627
Criminal abortion, the question of in France 304
Curative treatment of eclampsia..... 655
Curette, abuse of the in gynecology..... 802
Current opinions concerning the toxemia of pregnancy 812
Cutaneous reaction of syphilis..... 823
reaction to tuberculin in childhood..... 199
Cystic hygroma of the neck..... 826

Dangers and complications of salvarsan treatment 873
Death after neosalvarsan..... 562
Deaths by electric currents and by lightning 507
from the use of salvarsan..... 709
Deaver, John B.: Fecal Fistula..... 153
Dengue-form fever, treatment of..... 126
Dercum, F. X.: The Nervous Phenomena of Prostatic Disease and Their Relation to Treatment 77
Dermatalgia 462
Dermatology, the internal secretions in relation to..... 644

Desiccation as a therapeutic measure..... 159
Developmental adhesions affecting the lower end of the ileum and colon..... 286
Diabetes, carbohydrate treatment in..... 29
the individual treatment of..... 574
the treatment of..... 38
treatment of by drugs..... 124
Diachylon as an abortifacient..... 809
Diet in heart disease..... 566
Different approaches to the hip-joint..... 747
Difficult and dangerous labors, the method of delivery in..... 48
Difficulties in the diagnosis of gall-stones.. 442
Diffuse peritonitis, acute—treatment of by camphorated oil..... 175
Digestive disturbances, protein milk as a corrective of..... 638
organs, a discussion in regard to diseases of the..... 455
Digitalis in the treatment of auricular fibrillation 113, 719
in the treatment of heart block..... 109
in the treatment of heart disease...49, 488
in the treatment of hemoptysis..... 121
in the treatment of high blood pressure 808
series in heart disease, action of the.. 121
the effect of on the heart during exercise 662
the effect of upon blood-pressure..... 23
Digitoxin 122
Dilatation of the esophagus, idiopathic.... 746
of the stomach, acute, and its treatment 678
Diphtheria and tetanus antitoxin, the dosage of as determined by animal experimentation 347
antitoxin, the need of large doses of.. 788
Diphtheria, laryngeal—the importance of prompt treatment of..... 32
not typhoid fever..... 608
pituitrin in heart failure after..... 506
the treatment of pharyngeal stenosis following 816
Disease of the nasal sinuses, the diagnosis and conservative treatment of..... 509
the importance of rest in the prevention and treatment of..... 82
Diseases of the pleura..... 114
of women, some common mistakes in the treatment of..... 802
Disinfecting hypodermic syringes..... 177
Disinfection by iodine..... 38
of the hands and field of operation..... 64
Disorders of the pituitary body..... 363
Disputed problems associated with the large intestine, some of the..... 295
Do results justify the use of phylacogens? —a report of forty cases..... 570
Dropsy, renal—the treatment of..... 547
Drugs, action of on the respiration..... 715
diabetes and the liver..... 124
non-absorption of on intramuscular injection 493
the balantidicidal activity of as a basis for treatment of infections with balantidium coli 812
Drug treatment of uterine hemorrhages..... 721
Ductless glands, the inter-relationship of.. 482
therapeutic application of the.. 17
Duodenal and gastric ulcer, acute—treatment of..... 484
scarlet red in the treatment of... 800
ulcer, perforated..... 284
Duration of artificially induced immunity.. 88
of protection afforded by vaccination, and the importance of dosage..... 716
Dysentery, amebic—tablets of emetine in the treatment of..... 418
—the treatment of by emetine 268
—the treatment of with emetine hydrochloride..... 561
the treatment of in State institutions... 351
tropical—surgical treatment of..... 820

Early cardiac complications of rheumatism, treatment of..... 180
Ecbolic, pituitary extract as an..... 278
Eclampsia and its treatment..... 649
suppression of the convulsion in..... 202
the curative treatment of..... 655
thyroid extract in the treatment of..... 653
Eczema as seen by the general practitioner. 278
in infants..... 475
treatment of..... 401
Education system of Great Britain, failure of the..... 835
Electric accidents, treatment of..... 272
currents and lightning, deaths by.... 507
Electrotherapy in the treatment of neuritis. 162
Eliason, E. L.: Description of an Apparatus for Applying Extension or Traction in the Open Treatment of Fractures of the Long Bones, and also an Apparatus for Raising Patients and Facilitating the Application of Plaster Casings 695
Results of Experiments on Various Bone-plates Applied to Fractured Femora in the Cadaver..... 323
tractor, an apparatus for applying extension in the open treatment of fractures of the long bones..... 696
Elimination of salvarsan..... 568
Embolism, postoperative..... 138
Emetine for amebic infection..... 787
hydrochloride in the treatment of amebic dysentery..... 561
in liver abscess..... 810
in the treatment of amebic colitis..... 185
of amebic dysentery...268, 418
Emphysema mixtures..... 622
pulmonary 619
Empyema, the treatment of in infancy..... 862
Emulsion of beef fat, butter fat, olive oil, lard, and peanut oil in the treatment of pulmonary tuberculosis..... 628
Endocarditis in children, treatment of..... 52
End results of nephrectomy for tuberculosis. 206
of radical operation in tuberculosis of the knee-joint in children..... 130
Enucleation of the prostate, technical points in 132
Epidemic cerebrospinal meningitis..... 494
meningitis, results of the serum treatment of..... 579
Epilepsy, general—operative treatment of.. 64
the treatment of..... 273
the treatment of by chloretone..... 353

Epileptiform convulsions following salvarsan 650
Epinephrin in the treatment of urticaria.... 522
Erysipelas, the treatment of by buttermilk.. 729
treated with tincture of iodine..... 136
Esophageal dilatation, idiopathic..... 746
Ether anesthesia and acetonuria..... 101
in the tropics..... 719
Etiology and treatment of coprostasis..... 768
of hay-fever 725
Eucalyptus in the treatment of pulmonary tuberculosis 163
Evolution of man from the ape..... 835
Excision and suture in the treatment of dense, close urethral strictures..... 512
of the larynx for malignant disease.... 443
of tuberculous hip-joints, the results of. 518
Excretion of formalin in the urine..... 661
of formalin in the urine of children and in infants taking hexamethylenamin. 724
Exercise, the effect of digitalis on the heart during 662
Exophthalmic goitre, ligation of the thyroid arteries for 587
goitre 593
Experiences with phylacogens in surgical infections 847
with salvarsan 557
Experimental investigation of the value of hexamethylenamine and allied compounds. 126
Experiments on various bone-plates applied to fractured femora in the cadaver, results of 323
External and internal generative organs of women, application of iodine to the..... 436
Extrauterine pregnancy and its subsequent progress 895
the diagnosis of..... 359
Eyeball, removal of the—implantation of fat into Tenon's capsule after..... 69
Eyes of the new-born, how to care for the.. 796
